

Termination of the abrdn Global Risk Mitigation Fund
APIR EQI4297AU ARSN 109 536 414
On 30 August 2024

After careful consideration, abrdn as Fund Manager has made a decision to terminate the abrdn Global Risk Mitigation Fund ('the Fund').

Due to changing demand, the Fund size has become smaller over time and we do not expect it to grow in size in the foreseeable future. We have determined that terminating the Fund is appropriate and in the best interests of the Fund's unitholders in order to avoid having to address the potentially high costs and inefficiencies associated with the ongoing management of a small fund from an investment management and operational perspective.

We intend to terminate the Fund on 30 August 2024. The Fund will operate as usual until the termination date. We will continue to actively operate and manage the Fund and its assets during the termination process and we will take appropriate actions which we believe are in the best interests of all unitholders. With this in mind, it may be appropriate to terminate the Fund on an earlier date. We will promptly notify you if this occurs. Please note that your investment will not be exposed to market movements for a short period of time before and after the termination date to allow time to calculate the final payments.

Do I need to take any action?

You are not required to take any action. Upon termination of the Fund, we will pay the proceeds into the bank account you have previously provided for payment of withdrawals and/or receipt of distributions. We anticipate repaying these proceeds on or around **5 September 2024**. If you have not previously supplied your current bank account details, or your bank account details have changed, please advise us as soon as possible by completing a change of details form. This will ensure that these proceeds can be paid directly to your account

Can unitholders withdraw from the Fund before the termination date?

Unitholders can withdraw from the Fund at any time up until 7 days prior to the termination date in accordance with the withdrawal instructions detailed in the current PDS for the Fund. Normal transaction costs (i.e. a sell spread) will be payable by the unitholder.

What are the tax consequences of terminating the Fund?

The termination of the Fund and the payment of your investment proceeds is a tax event. The proceeds you receive may encompass a return of your capital, as well as a component of income and capital gains (similar to a distribution) which may be taxable. Unitholders should seek their own tax advice in relation to the taxation implications of receiving termination payments, taking into account their own particular set of circumstances. A full breakdown of components of the termination payment/s will be provided in your AMMA statement which we will send out following the end of the respective financial year.

Can I retain my investment with abrdn?:

abrdn offers access to a range of funds, for more information visit the abrdn website at <https://www.abrdn.com/en-au/investor/fund-centre>. You should always read the relevant Product Disclosure Statement (**PDS**) and Target Market Determination (**TMD**) before you decide to invest.

Wind Up Costs

No Fund termination or wind up costs will be passed on to investors.

This letter should not be taken as advice and does not take into account your personal financial situation, objectives or needs. Before making a decision about whether or not to remain invested, we strongly recommend that you seek advice from a financial adviser, broker or tax adviser
