#### INDEPENDENT AUDITOR'S REPORT

#### To the Unitholders of abrdn American Growth Fund

#### **Opinion**

I have audited the financial statements of abrdn American Growth Fund ("the Fund"), which comprise the statement of financial position as at 20 April 2023 (dissolution date), and the statement of comprehensive income and statement of changes in net assets for the period from 1 January 2023 to 20 April 2023, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements present fairly, in all material respects, the financial position of abrdn American Growth Fund as at 20 April 2023, and its financial performance and changes in its net assets for the period from 1 January 2023 to 20 April 2023 in accordance with the Accounting Guidance for Mutual Funds and Provident Funds issued by the Association of Investment Management Companies and approved by the Securities and Exchange Commission.

#### **Basis for Opinion**

I conducted my audit in accordance with Thai Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the Fund in accordance with the Code of Ethics for Professional Accountants, including Independence Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with the Code of Ethics for Professional Accountants. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of Matter**

I draw attention to Note 2 to the financial statements, which described the Fund was dissolved on 20 April 2023, and the management deemed it was inappropriate to use going concern basis in preparation of the financial statements. Therefore, these financial statements were prepared on a non-going concern basis of accounting. My opinion is not modified in respect of this matter.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Accounting Guidance for Mutual Funds and Provident Funds issued by the Association of Investment Management Companies and approved by the Securities and Exchange Commission, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material

misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance

is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Thai Standards on Auditing will

always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material

if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on

the basis of these financial statements.

As part of an audit in accordance with Thai Standards on Auditing, I exercise professional judgment and maintain professional

skepticism throughout the audit. I also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design

and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to

provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate

in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related

disclosures made by management.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether

the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with management regarding, among other matters, the planned scope and timing of the audit and significant

audit findings, including any significant deficiencies in internal control that I identify during my audit.
