

Announcement of the Use of Foreign Exchange Hedging Tools

Aberdeen Asset Management (Thailand) Limited, as the manager and founder of the **abrdn China A Share Sustainable Equity Fund (ABCA)** (the "Fund"), would like to inform you that as the investment policy of the Fund focusing on investing in investment units of foreign mutual funds which may be affected by foreign exchange rates, the fund manager considers the need to perform foreign exchange hedging tools and has exercised discretion to enter into derivatives contracts for hedging purpose. The Fund will hedge its foreign exchange exposure from the date of the Fund registration onwards.

Announcement on 6 June 2023
