Important Risks

The abrdrn Precious Metals Basket ETF Trust is not an investment company registered under the Investment Company Act of 1940 or a commodity pool for purposes of the Commodity Exchange Act. Shares of the Precious Metals Basket Trust are not subject to the same regulatory requirements as mutual funds. These investments are not suitable for all investors. Trusts focusing on a single commodity generally experience greater volatility. There are special risks associated with short selling and margin investing. Please ask your financial advisor for more information about these risks.

The value of the Shares relates directly to the value of the Precious Metals Basket held by the Trust and fluctuations in the price of the Precious Metals Basket could materially adversely affect an investment in the Shares. Several factors may affect the price of the Precious Metals Basket including:

- A change in economic conditions, such as a recession, can adversely affect the price of the Precious Metals Basket. The Precious Metals Basket is used in a wide range of industrial applications, and an economic downturn could have a negative impact on its demand and, consequently, its price and the price of the Shares;
- Investors' expectations with respect to the rate of inflation;
- Currency exchange rates;
- Interest rates;
- Investment and trading activities of hedge funds and commodity funds; and
- Global or regional political, economic or financial events and situations. Should there be an increase in the level of hedge activity of Precious Metals Basket producing companies, it could cause a decline in world Precious Metals Basket price, adversely affecting the price of the Shares.

Also, should the speculative community take a negative view towards the precious metals, it could negatively impact the price of the Shares.

There is risk that part or all of the Trust's physical precious metals Basket could be lost, damaged or stolen. Failure by the Custodian or Sub-Custodian to exercise due care in the safekeeping of the precious metals held by the Trust could result in a loss to the Trust. The Trust will not insure its precious metals and shareholders cannot be assured that the custodian will maintain adequate insurance or any insurance with respect to the precious metals held by the custodian on behalf of the Trust. Consequently, a loss may be suffered with respect to the Trust's precious metals that is not covered by insurance.

Commodities and futures generally are volatile and are not suitable for all investors.

Please refer to the prospectus for complete information regarding all risks associated with the Trust.

Investors buy and sell shares on a secondary market (i.e., not directly from trust). Only market makers or "authorized participants" may trade directly with the fund, typically in blocks of 50k to 100k shares.

The Fund's net asset value per share (NAV) is calculated by dividing the value of the Fund's total assets less total liabilities by the number of shares outstanding. Market Price returns are based on the bid/ask spread at 4 p.m. ET and do not represent the returns an investor would receive if shares were traded at other times.

Shares in the Trusts are not FDIC insured and may lose value and have no bank guarantee.

This material must be accompanied or preceded by a prospectus. Carefully consider the fund's investment objectives, risk factors, and fees and expenses before investing. For further discussion of the risks associated with an investment in the funds please read the [prospectus](#).

Investment in the Trust does not constitute a direct investment in the underlying metal.

The S&P 500 Index is a capitalization-weighted index of 500 stocks selected by the Standard & Poor's Index Committee designed to represent the performance of the leading industries in the U.S. economy. One cannot invest directly in an index.

Bloomberg Commodity Index (BCOM) is a broadly diversified commodity price index distributed by Bloomberg Indexes.

ALPS Distributors, Inc. is unaffiliated with J.P. Morgan Chase Bank, N.A. and The Bank of New York Mellon.
