Important

This trust is only suitable if you (the Settlor(s)), your Trustees and all of your Beneficiaries are resident in the UK and intend to remain resident in the UK. If you and they are not all resident in the UK at any time, there could be additional tax consequences. Many different factors determine whether a person is resident in the UK so you should speak to your adviser if you are unsure about this.

On the death of the Settlor the Trustees must repay the outstanding Loan Amount to the Settlor's estate. The Settlor can choose to waive the right to repayment on death, which means that no repayment would be due to estate, by ticking the box at Part H.

Please ensure you have:

- completed Parts A to I
- considered the restricted liability of the Trustees in clause 10
- consulted your legal, tax or financial adviser before signing this deed
- signed on page 9 and also that all Trustees have signed on page 10 (and if applicable page 11)

Standard Life has drafted this trust deed with due care and attention to reflect the law at February 2023. It cannot accept any responsibility for loss, damage or other claim which may arise from the use of this trust or the way in which you complete it. Standard Life cannot perform the function of a legal, tax or other professional adviser or guarantee that this trust will meet all of your specific requirements. You are strongly recommended to consult your own professional advisers.

Please ensure the trust is registered on HMRC's Trust Registration Service, unless exempt. In addition, if the trust holds a Standard Life International Bond, it must be registered on the Irish Revenue's Central Registration of Beneficial Ownership of Trusts (CRBOT). This is being updated and you or your adviser should check on the Irish Revenue's website whether the service is currently available. If your trust cannot be registered now, please send us evidence of your trust's CRBOT registration as soon as this is possible.

This shall be a full discharge to the Trustees in relation to the Nominee Property.
- 4.6 Where the Settlor receives any funds which are to be used to pay any expenses due by the Trustees they undertake to use these funds only to pay these expenses. These funds will be held on bare trust for the Trustees only to be used for the payment of Trustee fees.

5. The Trust

By signing this trust deed the Trustees accept appointment as trustees and (subject to the provisions for repayment in clause 2 above) they will hold the Trust Fund on the trusts and subject to the powers and provisions set out in this trust deed.

6. The Trust Provisions

- 6.1 Subject to clause 6.2, the Settlor shall have power to give instructions in relation to the initial investment of the Loan Amount (which shall include the power to give instructions to hold part of the Loan Amount as cash) which instructions the Trustees shall be obliged to follow. These instructions will be conveyed by the Trustees to Standard Life. Once the Loan Amount has been invested, the Settlor's powers under this clause shall cease.
- 6.2 If the Settlor is Incapable and there is a person who is legally entitled to make settlements and make investment decisions on behalf of the Settlor, the Settlor's power in clause 6.1 shall vest in that person.
- 6.3 While the Settlor or the person acting on his behalf has such power, the Trustees shall have no power in relation to giving instructions on the investment of the Loan Amount.
- 6.4 The Trustees may appoint that they shall hold the Trust Fund for the benefit of any of the Beneficiaries on such terms as the Trustees think fit.
- 6.5 An appointment may create any provisions including discretionary trusts and dispositive and administrative powers exercisable by any person. An appointment must either be by a deed which is revocable during the Perpetuity Period or by irrevocable deed both of which must be executed during the Perpetuity Period when this trust is governed by the Law of England and Wales.
- 6.6 The Trustees may pay, transfer or apply the Trust Fund or any part thereof to or for the advancement or benefit of any Beneficiary.
- 6.7 In default of and subject to the exercise of the powers in clauses 6.4 and 6.6 the Trustees shall hold the Trust Fund and the income thereof for the Main Beneficiaries absolutely and if more than one in the percentage shares specified in Part D or equally in default of percentage shares being specified (or the specified shares not adding up to 100%).
- 6.8 The trusts set out in clause 6.7 shall carry the intermediate income and the Relevant Section shall (if otherwise applicable) not apply to the same. Whilst any Main Beneficiary entitled to income under that clause is a Minor the Trustees shall pay or otherwise apply for or towards his benefit so much of the income from his share in the Trust as the Trustees may in their absolute discretion think fit. The Trustees shall retain the balance of any income of such share on trust for that Main Beneficiary absolutely.

7. Ultimate Trust

Subject to all the Trusts powers and provisions of this trust deed and if and so far (for any reason whatsoever) not wholly disposed of by it, the Trust Fund shall be held upon trust for such of the Beneficiaries in existence at the date of this trust deed and if more than one in equal shares absolutely.

8. Trustees' powers

Subject to clauses 6.1 - 6.3:

- 8.1 The Trustees may (with due regard to the standard investment criteria, if applicable, and subject to obtaining advice, if required by law) make any kind of investment of the Trust Fund and the Nominee Property they could make if they were absolute beneficial owners (and in particular (i) may invest in and retain non-income producing assets situated anywhere in the world and (ii) need not have regard to any rule of law requiring them to diversify the investments).

- 8.2 The Trustees may make any disposition of the Trust Fund that they could make if they were absolute beneficial owners.
- 8.3 The Trustees may lend all or any part of the Trust Fund to any Beneficiary on such terms (whether or not including provision for the payment of interest) as the Trustees in their absolute discretion think fit.
- 8.4 The Trustees may borrow on the security of all or any part of the Trust Fund or without giving any security.
- 8.5 The Trustees may pay or transfer capital or income to the parent or guardian of any Minor who is beneficially entitled to it and the receipt of such parent or guardian shall be a full discharge to the Trustees.
- 8.6 The Trustees may apply all or part of the Trust Fund in purchasing or maintaining any policy of assurance on the life of any person and shall have all the powers of an absolute beneficial owner in relation to any such policy.
- 8.7 The receipt of the Trustees for any money payable under or deriving from any dealing with any policy of life assurance shall be a full and sufficient discharge to Standard Life or to any other company issuing such policy, which company shall not be concerned in the application of any such monies.
- 8.8 The Trustees may appoint advisers, agents, discretionary investment managers, nominees and custodians on such terms as the Trustees in their absolute discretion think fit and may, directly or indirectly, pay fees rendered for such services from the Trust Fund.
- 8.9 The Trustees may appropriate all or any part of the Trust Fund as they think fit in or towards satisfaction of the interest of any Beneficiary and may for that purpose place such value on any property as they think fit.
- 8.10 Any Trustee (other than the Settlor or any spouse or Civil Partner for the time being of the Settlor) who is a solicitor or other person engaged in a profession or business or any corporate trustee, may charge all usual reasonable professional charges in relation to work carried out in connection with this trust.
- 8.11 No Trustee shall be precluded from joining in the exercise of any of the powers contained in this trust notwithstanding that he will or may benefit from such exercise or by reason of the fact that he or she is or may become a Beneficiary provided that at least one other trustee who takes no benefit also agrees to the exercise in favour of the benefitting Trustee.
- 8.12 If this trust is governed by Scots law the Trustees shall have all the powers, privileges and immunities conferred on gratuitous trustees under Scots law.
- 8.13 The Trustees may by deed (and so as to bind their successors) release or restrict the future exercise of all or any of the powers conferred on them by this trust deed or by law.
- 8.14 Any legal rule requiring apportionments to be made for the purpose of this trust shall not apply.
